TO: Local and County Emergency Management Performance Grant (EMPG) Programs
SUBJECT: Funding for 2006 Great Lakes Homeland Security Training Conference and Expo

Funding has been made available to emergency management programs through the 2005 Emergency Management Performance Grant (EMPG) Program to assist with the payment of registration fees for the 2006 Great Lakes Homeland Security Training Conference and Expo, May 2-4, 2006, in Grand Rapids.

This additional funding may be used to cover registration fees only for **two attendees** (\$325 each for a total of \$650) per program. You must be an EMPG funded program to take advantage of this funding.

For this year's conference, in an effort to raise awareness of security issues in our schools, we have expanded our workshops to include a specific school track. We encourage you to utilize this opportunity to invite a critical local partner, such as your local school administrator, public works, law enforcement, medical, fire or any designated first responder discipline.

If you are taking advantage of this funding opportunity, you must submit a registration form for each attendee (see attachment) before April 21, 2006. Please fax to 517-336-3983. If you have any questions, please contact Ms. Dawn Lake at 517-324-2330.

Sincerely,

KRISTE ETUE, CAPTAIN
Deputy State Director of Emergency Management
and Homeland Security
